Dear Representative Tate:

This is to acknowledge your recent letter to the Agency in which you endorsed the application of the Macon County Landfill for a Supplemental Permit to receive and dispose of sludge generated by the Decatur Sanitary District.

Thank you for your input. Your letter has become a part of the file and was considered during review of the documents.

The permit was issued on May 11, 1982.

Thank you, again, for your interest and concern in this matter.

Very truly yours,
